MARIO MACIS

Curriculum Vitae

Johns Hopkins University — Carey Business School
325 7th St NW, Washington, DC 20004
+1 202-580-7572 • mmacis@jhu.edu • mariomacis.net

EDUCATION

Ph.D. in Economics, University of Chicago 2007
M.A. in Economics, University of Chicago 2003
Laurea in Economic and Social Disciplines (DES), 110/110 *cum laude*, Bocconi University 2000

ACADEMIC POSITIONS

Professor, Johns Hopkins University Carey Business School 2020–present
Affiliate Faculty, Johns Hopkins Berman Institute of Bioethics 2019–present
Visiting Professor, Johns Hopkins Bloomberg School of Public Health Spring 2020
Associate Professor, Johns Hopkins University Carey Business School 2016–2020
Visiting Scholar, Einaudi Institute for Economics and Finance (EIEF), Rome, Italy June 2010
Assistant Professor, Johns Hopkins University Carey Business School 2010–2016
Assistant Professor, University of Michigan Ross School of Business 2007–2010

PROFESSIONAL AFFILIATIONS AND APPOINTMENTS

- Academic Board, Johns Hopkins Carey Business School, Member, April 2026–present.
- Economics Area Chair, Johns Hopkins Carey Business School, November 2025–present.
- Johns Hopkins University Public Interest Investment Advisory Committee (PIIAC), Member, 2024–present.
- Johns Hopkins Carey Curriculum Committee, Chair of Health Care Curriculum Sub-Committee, August 2023–present.
- Johns Hopkins University Faculty Budget Advisory Committee (FBAC), committee member, 2022–present.
- Johns Hopkins Carey Faculty Advisory Council (CFAC), Member and Co-Chair, August 2023–2025.
- National Academies of Science, Engineering, and Medicine Committee on "A Fairer and More Equitable, Cost-Effective, and Transparent System of Donor Organ Procurement, Allocation, and Distribution", Member, 2020–2022.
- Research Associate, National Bureau of Economic Research (NBER), 2020–present.
- Fellow, JHU Institute for Applied Economics, Global Health, and the Study of Business Enterprise, 2019–present.
- Editorial Board Member, Italian Economic Journal, 2023–present.
- Editorial Board Member, World Medical and Health Policy, 2019–2021.
- Fellow, Center for Economic Research North-South, Universities of Cagliari and Sassari (Italy), 2018–present.
- Johns Hopkins University Research Administration Faculty Advisory Council, committee member, 2017–2022.
- Academic Program Director, MS Health Care Management, Carey Business School, 2016–2019.
- Research Affiliate, Ideas42 Behavioral Science Lab, 2016–present.
- Advisory Board member, Johns Hopkins Behavioral, Social and Systems Science TRC, 2016–2019.
- Faculty Research Fellow, National Bureau of Economic Research (NBER), 2015–2020.
- Co-Editor, SSRN, Labor and Organizations & Markets Abstracts e-Journals, 2012–2016.
- Research Fellow, Institute for Labor Economics (IZA, Germany), 2008–present.
- Research Assistant, Fondazione Rodolfo Debenedetti, Bocconi University, 2000–2001.

NON-ACADEMIC APPOINTMENTS

- Advisor, the Maryland Task Force on Responsible Use of Natural Psychedelic Substances, 2025–2026.
- Consultant, World Health Organization, 2024–2025.
- Consultant, United Nations Development Program, 2023–2025.
- Consultant, de-bi, Co. (formerly Heny, Inc.), 2023–2025.
- Consultant, World Bank, 2008, 2010, 2015–2016, 2018–2019.
- Consultant, United Nations Development Program, 2016–2017.
- Consultant, Sardinia Region (Italy), Youth Entrepreneurship Program Design, 2016–2017.
- Consultant, National Marrow Donor Program (NMDP), 2015–2016.
- Consultant, International Labor Organization (ILO), 2013.

PUBLICATIONS (INCLUDING FORTHCOMING)

Peer-reviewed publications in Economics

[1] *Incentives and Prosocial Discomfort: A Laboratory Experiment* (with Vikram Chib, Jeffrey Kahn, Nicola Lacetera, and Grace Stewart). Economics Letters, 2026.

[2] *Is the Price Right? The Role of Economic Tradeoffs in Explaining Reactions to Price Surges* (with Julio Elias and Nicola Lacetera). Management Science, 2025.

[3] *Out-Group Penalties in Refugee Assistance: A Survey Experiment* (with Cristina Cattaneo, Daniela Grieco, and Nicola Lacetera). Scandinavian Journal of Economics, 2025.

[4] *How perceptions of bone marrow donation costs affect donation behavior: Survey evidence from a large donor registry* (with Michael Haylock, Patrick Kämpkötter, Jürgen Sauter, Susanne Seitz, Robert Slonim, Daniel Wiesen, Alexander Schmidt). European Journal of Health Economics, 2025.

[5] *Norm misperceptions in social dilemmas: the role of preferences, heuristics and experiences* (with Guglielmo Briscese, Maddalena Grignani, Nicola Lacetera, and Mirco Tonin). Journal of Behavioral Economics for Policy, 2024.

[6] *Nudging the Nudger: Performance Feedback and Organ Donor Registrations* (with Julian House, Nicola Lacetera, and Nina Mazar). Journal of Health Economics, 2024.

[7] *Passing the Message: Peer Outreach about COVID-19 Precautions in Zambia* (with Jessica Goldberg, Alfredo Burlando, Pradeep Chintagunta, Melissa Graboyes, Dean Karlan, Peter Hangoma, Silvia Prina). Journal of Development Economics, 2024.

[8] *Improving the availability of unrelated stem cell donors: Evidence from a major donor registry* (with Michael Haylock, Patrick Kämpkötter, Jürgen Sauter, Susanne Seitz, Robert Slonim, Daniel Wiesen, Alexander Schmidt). American Journal of Health Economics, 2024.

[9] *How Do Surrogates Make Treatment Decisions for Patients with Dementia? An Experimental Survey Study* (with Lauren Nicholas, Kenneth Langa, and Scott Halpern). Health Economics, 2024.

[10] *Incentivized peer referrals for tuberculosis screening: evidence from India* (with Jessica Goldberg and Pradeep Chintagunta). American Economic Journal: Applied Economics, 2023.

[11] *Expectations, reference points, and compliance with COVID-19 social-distancing measures* (with Guglielmo Briscese, Nicola Lacetera and Mirco Tonin). Journal of Behavioral and Experimental Economics, 2023.

[12] *Management, supervision, and health care: a field experiment* (with Felipe Dunsch, David Evans and Ezinne Eze-Ajoku). Journal of Economics and Management Strategy, 2022.

[13] *Providing Vouchers and Value Information for Already Free Eye Exams Increases Uptake Among a Low-Income Minority Population: A Randomized Trial* (with Seema Kacker [first author], Prateek Gajwani, David S. Friedman). Health Economics, Vol. 31(3), March 2022.

[14] *Paying for Kidneys? A Randomized Survey and Choice Experiment* (with Julio Elias and Nicola Lacetera). American Economic Review, 2019, 109(8), pp. 2855–2888.

[15] *Do Female Executives Make a Difference? The Impact of Female Leadership on Firm Performance and Gender Gaps* (with Luca Flabbi, Andrea Moro and Fabiano Schivardi). The Economic Journal, 2019, 129(622), pp. 2390–2423.

[16] *Economic Development and the Regulation of Morally Contentious Activities* (with Julio Elias, Nicola Lacetera and Paola Salardi). American Economic Review (Papers & Proceedings), 2017, 107(5), pp. 76–80.

[17] *Exports and Wages: Rent Sharing, Workforce Composition or Returns to Skills?* (with Fabiano Schivardi). Journal of Labor Economics, 2016, 34(4), pp. 945–978.

[18] *Sacred Values? The Effect of Information on Attitudes toward Payments for Human Organs* (with Julio Elias and Nicola Lacetera). American Economic Review (Papers & Proceedings), 2015, 105(5), pp. 361–365.

[19] *Removing Financial Barriers to Organ and Bone Marrow Donation: The Effect of Leave and Tax Legislation* (with Nicola Lacetera and Sarah Stith). Journal of Health Economics, 2014, 33, pp. 43–56.

[20] *Rewarding Volunteers: A Field Experiment* (with Nicola Lacetera and Robert Slonim). Management Science, 2014, 60(5), pp. 1107–1129.

[21] *The Effects of Information, Social and Financial Incentives on Voluntary Undirected Blood Donations: A Field Experiment in Argentina* (with Victor Iajya, Nicola Lacetera and Robert Slonim). Social Science and Medicine, 2013, 98, pp. 214–223.

[22] *Time for Blood: The Effect of Paid Leave Legislation on Altruistic Behavior* (with Nicola Lacetera). Journal of Law, Economics and Organization, 2013, 29(6), pp. 1384–1420.

[23] *Will there be Blood? Incentives and Displacement Effects in Pro-Social Behavior* (with Nicola Lacetera and Robert Slonim). American Economic Journal: Economic Policy, 2012, 4(1), pp. 186–223.

[24] *Social Image Concerns and Pro-Social Behavior: Field Evidence from a Nonlinear Incentive Scheme* (with Nicola Lacetera). Journal of Law, Economics and Organization, 2013, 29(6), pp. 1384–1420.

[25] *Do All Material Incentives for Pro-Social Activities Backfire? The Response to Cash and Non-Cash Incentives for Blood Donations* (with Nicola Lacetera). Journal of Economic Psychology, 2010, 31(4), pp. 738–748.

[26] *Do Unemployment Benefits Promote or Hinder Job Turnover?* (with Tito Boeri). Journal of Development Economics, 2010, 93(1), pp. 109–125.

Peer-reviewed publications in other disciplines

[27] *Keep track of your own story: Decentralized Biobanking for Community Engagement in Biospecimen Research* (with Marielle Gross [PI], Rahul Gorijavolu, Kennedy Sabhrawal, Eve Budd, Leo Anthony Celi, Jeffrey Kahn, M. Eifler, William Sanchez, Robert Miller). Journal of Information Technology Case and Application Research, forthcoming.

[28] *Decentralized Biobanking Pathway to Precision Medicine: Futures Study* (with Marielle Gross, Ananya Dewan, Kennedy Sabharwal, Amanda Linkous, M. Eifler, William Sanchez, Robert Miller, Joshua C. Rubin). JMIR, December 2025.

[29] *Decentralized Biobanking to Empower Patient Engagement in Biospecimen Research: Operational Feasibility Case Study* (with Marielle Gross, Ananya Dewan, Vivian Altiery De Jesus, Eva Budd, William Sanchez, Robert Miller). Biopreservation and Biobanking, October 2025.

[30] *End-of-Life Care Choices: A ChatGPT-4o Assisted Qualitative Analysis of Free Text Responses In A Nationally Representative Experimental Survey* (with Goldberg EM, Bounds M, Gomez Picazo J, Nicholas LH). JMIR Aging, September 2025.

[31] *Decentralized Biobanking Platform for Organoid Research Networks* (with Marielle Gross, Ananya Dewan, Eve Budd, M. Eifler, Olayinka Odeniran, Jeff Kahn, Robert Clell Miller, William Sanchez). Frontiers in Blockchain, July 2025.

[32] *Privacy, Policy, and Profits: Survey of Patient Values and Preferences for Research on De-Identified Biosamples* (with Marielle Gross, Amelia Hood, Jeffrey Kahn). Journal of Empirical Research on Human Research Ethics, June 2025.

[33] *Decentralized Biobanking Applications Empower Personalized Tracking of Biospecimen Research: Technology Feasibility* (with William Sanchez, Ananya Dewan, Eve Budd, M. Eifler, Robert C. Miller, Jeffery Kahn, and Marielle Gross). JMIR Bioinformatics and Biotechnology, April 2025.

[34] *Trust in AI-Assisted Health Systems and AI's Trust in Humans* (with Madeline Sagona, Michael Darden and Tinglong Dai). npj Health Systems, Vol. 2, No. 10, March 2025.

[35] *How to increase living kidney donation — a tale of two donors* (with Elizabeth Plummer). JAMA Internal Medicine, 2024.

[36] *Quality and safety for substances of human origins: scientific evidence and the new EU regulations* (with Julio Elias, Nicola Lacetera, Axel Ockenfels, and Alvin Roth). BMJ Global Health, 2024.

[37] *Public opinions on removing disincentives and introducing incentives for organ donation: proposing a European research agenda* (with Frederike Ambagtsheer, Eline Bunnik, Julio Elias, Nicola Lacetera, Liset Pengel, Marlies Reinders). Transplant International, 2024.

[38] *Treatment preferences among adults with normal cognition and cognitive impairment* (with Kelsey Owsley [first author], Ken Langa, and Lauren Nicholas). Journal of the American Geriatrics Society, 2022.

[39] *Financial incentives, not behavioral nudges, led to optimized HIV testing among pregnant women in a high-burden urban population in Ecuador* (with Miguel Reina-Ortiz [first author], Michelle Grunauer, Erika Gutiérrez, Ricardo Izurieta, Phillip Phan, Carlos Rosas, and Enrique Terán). American Journal of Tropical Medicine & Hygiene, 2022.

[40] *Does it Matter Who Decides? Outcomes of Surrogate Decision-Making for Community-Dwelling, Cognitively Impaired Older Adults Near the End of Life* (with Micah Baum [first author], Joseph Gallo, Marie Nolan, Kenneth Langa, Scott Halpern, and Lauren Hersch Nicholas). Journal of Pain and Symptom Management, 2021, 62(6), pp. 1126–1134.

[41] *Using incentives and nudging to improve non-targeted HIV testing in Ecuador: A randomized trial* (with Michelle Grunauer, Erika Gutiérrez, Ricardo Izurieta, Phillip Phan, Miguel Reina-Ortiz, Carlos Rosas, and Enrique Terán). AIDS and Behavior, 2021, 25, pp. 2542–2550.

[42] *Moral NIMBY-ism? Understanding Societal Support for Monetary Compensation to Plasma Donors in Canada* (with Nicola Lacetera). Law and Contemporary Problems, 2018, 81, pp. 83–105.

[43] *Bias in patient satisfaction surveys: a threat to measuring health care quality* (with Felipe Dunsch, David Evans, and Qiao Wang). BMJ Global Health, 2018, 3:e000694.

[44] *Providing level-of-match information to perfectly matched unrelated stem cell donors: Evaluating acceptability and potential changes in donor availability* (with Galen Switzer [first author], Mary Amanda Dew, Rachel Fabi, Dennis Confer, et al.). Biology of Blood and Marrow Transplantation, 2018, 24(10), pp. 2110–2118.

[45] *Motivating Cord Blood Donation with Information and Behavioral Nudges* (with Daniela Di Martino, Daniela Grieco and Nicola Lacetera). Scientific Reports, 2018, 8, 252.

[46] *Understanding Repugnance: Implications for Public Policy* (with Julio Elias and Nicola Lacetera). World Medical and Health Policy, 2017, 9(4), pp. 489–504.

[47] *Viral Altruism? Charitable Giving and Social Contagion in Online Networks* (with Nicola Lacetera and Angelo Mele). Sociological Science, 2016, 3, pp. 202–238.

[48] *Markets and Morals: An Experimental Survey Study* (with Julio Elias and Nicola Lacetera). PLoS ONE, 2015, 10(6): e0127069.

[49] *Economic Rewards to Motivate Blood Donations* (with Nicola Lacetera and Robert Slonim). Science, 2013, 340(6135), pp. 927–928.

[50] *Labor Market Conditions and Judicial Decisions on Unfair Dismissal Cases* (in Italian). Diritto delle Relazioni Industriali, 2001, 2, pp. 269–284. Based on undergraduate thesis, invited by the Editor (Prof. Marco Biagi).

BOOK EDITING

– *Social Economics: Current and Emerging Avenues* (co-editor with Joan Costa-i-Font). MIT Press and CES-Ifo, Cambridge, Massachusetts. January 2017. ISBN 9780262035651.

HANDBOOK AND BOOK CHAPTERS

- *The Morality of Market Exchanges: Between Societal Values and Trade-Offs* Forthcoming in Research Handbook on Unethical Behavior (with Julio Elias and Nicola Lacetera).
- *What Have We Learned from Behavioural Economics for the COVID-19 Response?* In Behavioural Economics and Policy for Pandemics: Insights from Responses to COVID-19, 2024 (with Matteo Galizzi, Veronika Luptakova, and Sorin Thode).
- *The Drivers of Compliance with Social-Distancing Measures at the Time of Covid-19* In Handbook of Labor, Human Resources and Population Economics, 2022 (with Guglielmo Briscese, Nicola Lacetera, and Mirco Tonin).
- *Increasing Blood and Plasma Donations: Behavioral and Ethical Scalability* In Behavioral Science in the Wild, edited by Nina Mazar and Dilip Soman. University of Toronto Press, 2022 (with Nicola Lacetera).
- *Organ Donation* In Legislating Morality in America: Debating the Morality of Controversial U.S. Laws and Policies, edited by Don Haider-Markel for ABC-CLIO. 2020.
- *Paid vs. Volunteer Donations: An Analysis of the Behavioral and Ethical Issues around Donor Incentives* In Domen, R., ed., Ethical Issues in Transfusion Medicine and Cellular Therapies, Bethesda, MD: AABB Press, 2015 (with Nicola Lacetera).
- *Labor and Social Protection Institutions: Recent Trends and Impact on Development — Employment Protection* Ch. 6, pp. 93–97, in International Labor Organization World of Work Report, 2014, 14(1) (with Paola Monti).

COMMENTS

- *Is it shared decision-making if the path is paved?* NEJM Evidence, 2025, 4(10), Article EVIDe2500134 (with Quinlan, M. E., and Muehlschlegel, S.).
- *A critical comment on Niza, Tung and Marteau's "Incentivizing Blood Donation: Systematic Review and Meta-Analysis to Test Titmuss' Hypotheses"* Health Psychology, Letter to the Editor, 2013 (with Nicola Lacetera and Robert Slonim).
- *On the importance of unconditional rewards for blood donations* Clinical Chemistry, Letter to the Editor, 2013 (with Nicola Lacetera and Robert Slonim).
- *In Defense of WHO's Blood Donation Policy — Response* Science, 2013, 342(6159) (with N. Lacetera and R. Slonim).
- *The Value of Incentives in Blood Donation — Response* Science, 2013, 341(6142) (with N. Lacetera and R. Slonim).

POLICY PAPERS, REPORTS, AND REVIEW PIECES

- *Psychedelic Policy for Maryland: An Independent Report.* November 2025 (with Katherine Cheung, Michael Darden, Matthew Eisenberg, Dan Polsky).
- *Help People Understand the Benefits of Donation.* Regulation, 45, Summer 2022.
- *Realizing the Promise of Equity in the Organ Transplantation System.* Washington (DC): National Academies Press (US); 2022. PMID: 35226429. Co-author as committee member (Chair: Kenneth Kizer).
- *Removing All Financial Disincentives to Living Kidney Donation.* In 1% Steps for Health Care Reform (Zack Cooper and Fiona Scott Morton, editors). January 2021.
- *Socio-economic impact assessment of Zika virus in Latin America and the Caribbean.* Report of the United Nations Development Programme, 2017 (with various other contributors).
- *Gender Differences in Earnings and Leadership: Recent Evidence on Causes and Consequences.* Ifo DICE Report, 2017, 15(2), pp. 18–21 (with Mirco Tonin).
- *Gender Differences in Wages and Leadership.* IZA World of Labor, 2017, Institute of Labor Economics.
- *The Impact of Non-Wage Benefits on Job Quality and Labor Market Outcomes in the Developing World: What do we know?* World Bank Employment Policy Primer, 2009 (13) (with Brooke Helppie).
- *Labor Regulations in Developing Countries: A Review of the Evidence and Directions for Future Research.* World Bank Social Protection Discussion Paper No. 0833, 2008 (with Tito Boeri and Brooke Helppie).

WORKING PAPERS

- Trust and Health Care Seeking Behavior (with Michael Darden). Revise and Resubmit, ***Review of Economics and Statistics.***
- Matching-Gift Incentives and Blood Donation: Linking Local and Global Altruism (with Gary Charness, Ramon Cobo-Reyes, Nicola Lacetera, Juan A. Lacomba, Francisco Lagos, Juliette Milgram-Baleix & María José Ruiz-Martos). Revise and Resubmit, ***The Economic Journal***.
- Surrogate Decision-Making for Older Adults With and Without Dementia: A Randomized Online Survey (with Lauren Nicholas, Kenneth Langa, and Scott Halpern), Revise and Resubmit, ***JAMA Network Open***.
- Human Enhancement Technologies: A Survey Experiment on Private Demand and Governance Preferences (with Giovanni Immordino, Immacolata Marino, and Fabrizio Panebianco), ***NBER WP 35495***.
- Management of Health Care Facilities and Patient Attendance during Major Disruptions: Evidence from Kenya (with Roberta Gatti, Kathryn Gilman Andrews, Fabiano Dal-Ri, Renata Lemos, Lydia Nakhone), ***World Bank WPS 11369.***
- Trading Off Openness: Economic Information and Immigration Policy Preferences (with Cristina Cattaneo, Daniela Grieco, and Nicola Lacetera), ***NBER WP 35509.***

WORK IN PROGRESS

- *Implementation science project on seasonal influenza vaccine uptake among health workers in Georgia* (with Tiina Likki [PI] et al. from WHO and CDC).
- *Evaluating the effects of university fundraiser incentives* (with Michael Gibbs).
- *Economic Diversification and Poverty at the Household Level: Evidence from Sub-Saharan Africa* (with Pierella Paci and Marco Ranzani).

POLICY BRIEFS

- *The Economic and Moral Foundations of Americans' Attitudes toward Paying Kidney Donors.* Cato Institute Research Brief in Economic Policy No. 172, 17 July 2019 (with Julio Elias and Nicola Lacetera).
- *Societal Support for Paying Plasma Donors in Canada.* Cato Institute Research Brief in Economic Policy No. 127, 22 August 2018 (with Nicola Lacetera).

HONORS AND AWARDS

Johns Hopkins University Alumni Association "Excellence in Teaching" Award	2025
Dean's Award for Faculty Excellence	2015–2018
Johns Hopkins University Early-Career "Catalyst" Award	2015
Johns Hopkins University Alumni Association "Excellence in Teaching" Award	2013
E. and T.W. Schultz Endowment Fund Dissertation Fellowship, University of Chicago	2006–07
Ente Luigi Einaudi Scholarship for Graduate Studies	2003–04

GRANTS

- Johns Hopkins University NEXUS Award (Convening), "Clinical, Ethical, Economic, and Public Health Dimensions of Psychedelic Policy" – Mario Macis (Carey Business School, PI), Frederick Barrett (School of Medicine), Michael Darden (Carey Business School), Matthew Eisenberg (Bloomberg School of Public Health), Jeffrey Kahn (Berman Institute of Bioethics), Daniel Polsky (Bloomberg School of Public Health), David Yaden (School of Medicine).
- Johns Hopkins University NEXUS Award (Convening), "The Price of Hope: Ethics, Economics, and Policy for Rare Disease Therapy" – Jeffrey Kahn (Berman Institute of Bioethics, PI), Tom Crawford (School of Medicine), Mario Macis (Carey Business School, Co-I), Anna Mastroianni (Berman Institute of Bioethics), Daniel Polsky (Bloomberg School of Public Health).

- Johns Hopkins University "Discovery Award" Grant. "Patient-Centered Biospecimen Market Design: Unlocking the Potential of Biobanking to Drive Discovery and Precision Medicine" — Mario Macis (PT), Itay Fainmesser, Marielle Gross, Clayton Yates, Olivia Kates, Brandi Scully, Idris Leppia, & Vivian Altiery De Jesus, 2025-2027 (rescinded due to administrative reasons).
- Johns Hopkins University "Discovery Award" Grant. "The Dynamics of Trust: An Interdisciplinary Approach to Improving Health Care Outcomes" — Michael Darden, Mario Macis, Christina Yuan, Kathy McDonald & Mary Catherine Beach. $100,000, 2024–25.
- Dutch Research Council Grant. "Investigating Public Opinions on Financial (Dis)Incentives for Organ Donation in Europe." $60,000 (Co-PI with Frederike Ambagtsheer and Eline Bunnik), 2023.
- Hopkins Business of Health Initiative Pilot Grant. "The Hopkins Health System Trust Index." $21,000 (Co-PI with Michael Darden and Jack Iwashyna), 2022.
- Emerson Collective Grant. "Non-Fungible Tokens (NFTs) for Ethical, Efficient Biospecimen Use." $600,000 (Co-investigator with Jeffrey Kahn [PI], Marielle Gross, Amelia Hood).
- National Institute on Aging RO1 AG059205. "Understanding and Respecting End-of-Life Treatment Preferences Among Older Adults with Alzheimer's Disease and Related Dementias." Co-Investigator; PI: Lauren Nicholas. 2018–2023.
- Hopkins Business of Health Initiative COVID-19 Seed Grant. "Social Support for Markets in Health and Health Care: Insights from the Covid-19 Pandemic." $11,000, 2020 (PI with Julio Elias and Nicola Lacetera).
- JHU Alliance for a Healthier World Impact Grant. "Advancing the health of rural communities in Uganda through strong community health programs." $250,000, 2020–21 (Co-PI with Smisha Agarwal and Tanvi Nagpal).
- Global Established Multidisciplinary Sites (GEMS) Grant. "Developing a contingency management program for smoking cessation for people with HIV and/or TB." $30,000, 2019–2020 (Co-PI; PI: Jonathan Golub).
- JHU Alliance for a Healthier World Implementation Grant. $250,000, 2018–20 (Co-I; PI: Richard Chaisson).
- Johns Hopkins University "Discovery Award" Grant. "A Mobile Directly Observed Therapy Smartphone App for Immunosuppression Adherence in Transplant Patients." $150,000, 2018–19 (Co-I; PI: Macey Henderson).
- Creative and Novel Ideas in HIV Research (CNIHR) Award. "Behavioral Nudges, Information and Incentives for HIV Testing: A Field Experiment in Ecuador." $308,000, 2016–18 (PI).
- Johns Hopkins University "Discovery Award" Grant. "Understanding Motivators and Barriers to Blood Donation in Minorities: A Pilot Randomized Trial with the American Red Cross." $60,000, 2016–17 (PI; with Patricia Brunker, Aaron Tobian, Nicola Lacetera, Robert Slonim).
- Government Partnership Initiative (J-PAL). "Leveraging Patients' Social Networks to Overcome Tuberculosis Under-detection in India." $48,965, 2016–17 (PI, with J. Goldberg [PI] and P. Chintagunta).
- Johns Hopkins University "Exploration of Practical Ethics" Grant. $58,000, 2016–17 (PI, with V. Chib, J. Kahn and N. Lacetera).
- International Growth Center India Central Grant. "Leveraging Patients' Social Networks to Overcome Tuberculosis Under-detection in India." GBP 20,294, 2016–17 (PI, with J. Goldberg and P. Chintagunta).
- World Bank Strategic Impact Evaluation Fund (SIEF) Grant. "Leveraging Patients' Social Networks to Overcome Tuberculosis Under-detection in India." $555,162, 2015–17 (PI, with J. Goldberg [PI] and P. Chintagunta).
- Sloan Foundation "Economics of Knowledge Contribution and Distribution" sub-grant. $10,000, 2015–16 (Co-PI, with N. Lacetera and J. Elias).
- Science of Philanthropy Grant. $36,340, 2014–15 (Co-PI, with D. Grieco and N. Lacetera).
- Johns Hopkins Center for Global Health Faculty Grant in Global Health Research. "Leveraging Patients' Social Networks to Overcome Tuberculosis Under-detection in India." $47,844, 2014–15 (PI, with J. Goldberg, J. Farley and P. Chintagunta).
- International Growth Center India Central Grant. "Leveraging Patients' Social Networks to Overcome Tuberculosis Under-detection in India." GBP 10,000, 2013–14 (PI, with J. Goldberg and P. Chintagunta).
- Maryland Population Research Center Seed Grant. "Leveraging Patients' Social Networks to Overcome Tuberculosis Under-detection in India." $15,000, 2013–14 (Co-PI, with J. Goldberg [PI]).
- NET Institute Summer Grant. $7,500, 2012, NET Institute, NYU Stern (Co-PI, with A. Mele and N. Lacetera).
- JHU Carey Business School Dean's Grant. $5,000, 2011.
- National Science Foundation (NSF) Grant. "Field Experiments on the Provision of Incentives for Blood Donation." $308,000, 2009–11 (PI, with N. Lacetera and R. Slonim).

- Social Sciences and Humanities Research Council of Canada Grant. $42,000, 2010–11 (Co-PI, with V. Iajya, N. Lacetera and R. Slonim).
- Mitsui Life Financial Research Center Grant. “Understanding the link between exports and wages.” $5,000, 2008–2010 (PI).
- Ross School of Business Dean’s Grant. $10,000, 2008–09.
- Russell Sage Foundation Grant for Young Scholars. “Field Experiments on the Provision of Incentives for Blood Donation.” $5,000, 2008–09 (Co-PI, with N. Lacetera and R. Slonim).

INVITED SEMINARS (INCLUDING SCHEDULED)

2026/27 Stanford University; University of Verona (Italy); Tel Aviv University (Israel); The Hebrew University of Jerusalem (Israel); Ben-Gurion University of the Negev (Israel).

2025/26 Fordham University; Bocconi University (Italy); Scuola Superiore Sant’Anna, Pisa (Italy).

2024/25 CDC – US Embassy in Tbilisi (Georgia); Vrije University (Netherlands); Erasmus University (Netherlands); University of Turin (Italy).

2023/24 Agency for Health Care Research and Quality (Rockville, MD); FHI360 Global Evidence that Matters Seminar Series.

2022/23 University of Geneva (Switzerland); University of Maryland Agricultural Economics Department; United States Naval Academy, Annapolis; Fundação Getulio Vargas (Brazil); University of Duisburg-Essen (Germany).

2021/22 George Washington University, Department of Economics; University of Illinois at Urbana-Champaign; University of Genoa (Italy).

2020/21 Stanford University Economics of Transplantation Workgroup; Free University of Bozen-Bolzano (Italy); Ball State University; Johns Hopkins Medicine, Transplants group; Universities of Berlin and Munich (joint seminar); Universität Hamburg (Germany).

2019/20 University of Pittsburgh; Boston University Questrom School of Business; University of Economics (Prague, Czech Republic).

2018/19 London School of Economics (UK); Erasmus University Rotterdam (Netherlands); American University (US); Università degli Studi di Milano (Italy); University of Pennsylvania (US); Universidad del CEMA (Argentina); University of Alabama (US); Università degli Studi di Cagliari (Italy).

2017/18 University of South Florida College of Public Health (US); Johns Hopkins Medicine, Department of Psychiatry (US).

2016/17 Pontificia Universidad Católica de Chile (Chile); University of Maryland (US); University of Louisville (US); Center for Global Development (Washington, DC); International Monetary Fund.

2015/16 Washington University St. Louis, Olin Business School; Duke University, School of Law; University of Bologna; University of Bristol; University of Essex; Copenhagen Business School; Ideas42 (New York).

2014/15 University of Toronto Rotman School of Management; George Mason University; University of Cagliari.

2013/14 World Health Organization, TB & M/XDR-TB Control Programme (Webinar); University of New Mexico, Economics Department.

CONFERENCE ORGANIZATION

- NBER Summer Institute Economics of Health organizing committee, July 24–25 2024 (with Amy Finkelstein, Kitt Carpenter, Joshua Gottlieb, Timothy Layton, Analisa Packham, Maria Polyakova, Barton Willage).
- 2nd "Antonio Pigliaru" Workshop on "Malaria — From Sardinia to the World." Cagliari (Italy), June 21, 2024 (co-organizer with Alberto Bisin, Claudio Deiana, Luigi Guiso, Marco Nieddu, Francesco Pigliaru).
- 1st "Antonio Pigliaru" Workshop on "Cultural Codes and Social Norms." Cagliari (Italy), June 25, 2022 (co-organizer with Alberto Bisin, Claudio Deiana, Luigi Guiso, Marco Nieddu, Francesco Pigliaru).
- Johns Hopkins – London School of Economics Conference on Experimental Insights from Behavioral Economics on COVID-19, February 12 and 19, 2021 (co-organizer with Matteo Galizzi, LSE).
- Johns Hopkins Interdisciplinary Zoom Webinar Series: Advancing evidence-based decision-making for COVID-19 (co-organizer), 2020–2021.
- AEA Meetings, session on "Sex, Drugs, Kidneys, and Migrants: Economic Analyses of Morally Contested Transactions," January 2019 (co-organizer with Nicola Lacetera).
- IBEO Health Economics Workshop, Alghero (Italy), June 2018 (co-organizer with Silvia Balia).
- Hopkins Health, Labor, Education and Development Conference (H2LED), Johns Hopkins University, May 2017; May 2018 (co-organizer with Lauren Nicholas and Nick Papageorge).
- Panel on "Markets for Body Parts: Exploitation or Opportunity," Festival of Economics, Trento, June 2017.
- Session on "The economics of organ donation and transplantation," American Society of Health Economics (ASHE) meetings, Philadelphia, June 2016.
- Symposium and Workshop on "Everything for Sale? The Ethics and Economics of Compensation for Body Parts" (co-organizer with Jeffrey Kahn, JHU Berman Institute of Bioethics), May 2015.
- American Economic Association Meetings, session on "Moral Values and Economic Behavior" (selected for the AER Papers & Proceedings), January 2015.
- CES-Ifo conference on "Social Economics," Munich (co-organizer with Joan Costa-i-Font), March 2013.
- AEA Meetings, session on "Field Experiments in Health Economics," January 2011.
- AEA Meetings, session on "Extrinsic Incentives and Pro-Social Behavior," January 2009.

KEYNOTES, PUBLIC LECTURES AND PANELS

- Invited Speaker, "Navigating Conflicting Considerations in Outpatient Decision Making," 2026 American Academy of Allergy Asthma & Immunology, Philadelphia, February 26, 2026.
- Keynote Speaker, Plasma Protein Therapeutics Association Forum 2025, Alexandria (VA), October 15, 2025.
- Organizer and moderator, "Wealth and Politics: Lessons from the Ancient World to Today" with Guido Alfani (Bocconi), Mary Beard (Cambridge), Louis Hyman (Hopkins), and Catherine Rampell (Washington Post), May 11, 2026; Hopkins Bloomberg Center.
- Co-organizer and moderator, NOW5: "Normactivity" Online Workshop on "Behavioural Economics and Normativity," May 27, 2026, with Roger Brownsword, Nick Chater, Alex Imas, and Cass Sunstein.

- Organizer and co-moderator, Hopkins Business of Health Initiative webinar on “Universal Coverage by Design: A Bold Blueprint for American Health Insurance Reform”, April 17, 2026.
- Organizer and moderator, Hopkins Business of Health Initiative webinar on “The Organ Market Dilemma: Ethics, Economics, and Life-Saving Solutions, with Alexander Capron, Gabriel Danovitch, Kimberly Krawiec, and Elaine Perlman,” May 15, 2026.
- Organizer and moderator, Hopkins Business of Health webinar on “Conquering Cancer: The Future of Early Detection and Diagnostic Technologies,” May 16, 2025.
- Organizer and moderator, Hopkins Business of Health webinar on “Organ procurement in the US: Navigating challenges and shaping the future,” November 15, 2024.
- Panelist, “Global Health Challenges” — The “Missing” Link between Evidence-Based Research and Policy Implementation, Global Action Policy Initiative, Northeastern University, March 8–9, 2024.
- Panelist at Congressional staff briefing on “Addressing the Kidney Shortage,” Dirksen Senate Office Building, January 24, 2024.
- Co-organizer and moderator, Hopkins Business of Health webinar on “Why Can’t Americans Have Better and Cheaper Health Care? Exploring the Innovation Challenge,” January 19, 2024.
- Co-organizer and moderator, Hopkins Business of Health webinar on “Physician Non-Competes: Workforce Integrity & Patient Access,” November 17, 2023.
- Moderator, Panel on “Causal Inference to inform COVID-19 Policy — An Interdisciplinary Perspective,” American Society of Health Economists, June 13, 2023.
- Co-organizer and moderator, Hopkins Business of Health webinar on “Blood Matters: Challenges and Opportunities in the Market for Blood and Blood Components,” June 2, 2023.
- Organizer and moderator, Hopkins Business of Health webinar on “Whose Business is Health? Corporate Social Responsibility and the Health of Americans,” October 14, 2022.
- Keynote: Field experiments to inform public and organizational policy. CRC Summer School: Science-Based Policy Advice, University of Munich, May 27, 2021.
- Panelist, “Impact Panel Discussion,” Society of Philanthropy Initiative Conference 2020.
- Panelist, “Epidemiology and Economics — A new normal?” Webinar series “Covid-19 en el Ecuador y el Mundo,” June 17, 2020.
- Presenter, “Economics & Ethics in the Allocation of Scarce Resources,” JHU “Hopkins at Home” webinar series, June 4, 2020.
- Presenter, “The logic of cooperation: rules, social distancing, and reopening,” Dialoghi di Economia Civile, Scuola di Economia Civile (Italy), May 25, 2020.
- Presenter, “How long is too long? Communication, expectations and compliance with COVID-19 stay-at-home orders,” Hopkins at Home series (inaugural lecture), April 7, 2020.
- Panelist, “The economic impact of COVID-19,” Johns Hopkins Carey Business School, February 17, 2020.
- Invited panelist, “Where are Our Donors? Examining the Need for Increased Social Science Research,” America’s Blood Centers Annual Meeting, March 9, 2020.
- Invited panelist, Johns Hopkins Bayview Research Symposium on Improving Health Care Outcomes with Behavioral Economics, December 6, 2019.
- Invited speaker, Understanding Social Support for Morally Contested Transactions, Social Policy Speaker Series, University of Pennsylvania, November 14, 2019.
- Expert panelist at Congressional staff briefing on “The kidney shortage: short-term salves and long-term solutions,” Rayburn House Office Building, October 4, 2019.
- Invited panelist, Plasma Protein Forum, panel on “Motivation Crowding Out,” June 19, 2019.
- Faculty presenter at “Hopkins on the Hill,” US Congress, Rayburn House Office Building, Washington, DC, June 12, 2019.
- Keynote Speaker, Annual meeting of the Association of Donor Relations Professionals (ADRP), May 16, 2019, Indianapolis.
- “Landsteiner Lecture,” Sanquin — National Blood Agency of the Netherlands, February 18, 2019 (Amsterdam, Netherlands).
- “Masterclass,” Sanquin — National Blood Agency of the Netherlands, February 18, 2019 (Amsterdam, Netherlands).

- Public Lecture on “Euros for your organs?” organized by Erasmus University and Arminius (Rotterdam, Netherlands), February 14, 2019.
- Keynote speaker, University of Michigan Ross School of Business, annual PhD symposium, Business Economics and Public Policy, November 9, 2018.
- Invited panelist, National Blood Foundation CORD Summit, October 15, 2018 (Boston).
- Guest, Economics Detective Podcast, August 12, 2018.
- Expert panelist at Congressional staff briefing on the legal, ethical and economic issues surrounding compensation for bone marrow, Russell Senate Office Building, November 15, 2016.
- Invited panelist at “Centro Único Coordinador de Ablación e Implante” (Organ Procurement and Transplant Center), San Miguel de Tucumán (Argentina), December 22, 2015.
- TEDx Speaker on “Economic Incentives for Body Parts?” TEDx Johns Hopkins University, March 2015.
- Panelist at JHU Berman Institute of Bioethics seminar on “Rationality and Bias in the Consent Process,” January 26, 2015.
- Expert panelist at Congressional staff briefing on Compensation to Bone Marrow donors, Rayburn House Office Building, March 14, 2014.
- Panelist at Academy of Management symposium on “Do High-Powered Incentives for Knowledge and Creative Workers Work?” Philadelphia, August 5, 2014.
- Inside Higher Ed’s Academic Minute: “Economics and the Blood Supply,” February 22, 2012.
- Panelist at World Bank forum on “Promoting Jobs in the Recovery for Men and Women: What Works, What Doesn’t and Why?” Washington, DC, April 27, 2010.
